

A message from Deana, chair of Friends of Monze trustees

In 2012 I visited the town and District of Monze in Zambia. There I met our partners Zambia Women and Girls Foundation, Together, we formed a partnership to help deprived schools and communities.

I founded Friends of Monze charity which is supported by Bridgend Quakers and the generosity of people in Wales and beyond.

Deana presented with a pot at Singonya school

We are always happy to share information about the charity work in Zambia, please get in touch.

You can invite Deana to give a presentation to your organisation or sell Zambian crafts.

www.friendsofmonze.org

Friends of Monze is a volunteer led charity based in Bridgend, South Wales, helping improve lives for people in Zambia.

For 13 years all our work has been in partnership with Zambia women and Girls Foundation, a None Government Organisation based in Monze.

Handwashing

Our Impact

Improving Education:

- Built classrooms at 19 schools
- Raising educational standards by providing schools with books and desks
- Improving living conditions for teachers at rural schools

Promoting Health:

- Hygiene education
- Eye health checks
- Provide footballs and sports equipment
- Build pit latrines

Combating Climate Change:

- Teach water management to enable food growing in times of drought
- Improve access to water and provide solar powered pumps
- Empower local communities to grow drought resistant crops e.g. cassava

Keeping girls in school

- Provide menstrual hygiene teaching & materials
- Promoting human rights awareness

Purposes:

Improve education and health for children, tackle climate change and work with Zambian people to raise awareness of their human rights
