

"It's made a massive difference knowing that someone cares and is looking out for me."

You don't have to do it on your own - we're here for you.

Our Achieving Change through Employment (ACE) project provides life-changing 'into work' mentoring support to help you make positive life choices and start moving towards your goals.

If you are Black, Minority Ethnic or Migrant, aged over 25, living in Wales, and are either long term unemployed or economically inactive, we would love to talk to you to see if you can benefit from our project.
