Timetable

Lucie runs Wednesday to Sunday during quieter months and runs seven days per week during school holidays.

Lucie runs an extended timetable during the summer, which can be found on our website, and is displayed at every stop. Lucie takes a break over the winter months, except for special occasions and events such as our very popular Santa Express.

There may be times when Lucie is unable to run due to adverse weather. This could be when it is too windy, too wet, or too cold (snow/ice) to operate safely.

Always check our social media or our website for the most up to date information. Tickets can be purchased on the train or in our Porthcawl shop.
