## Be part of our business community

Hub members are eligible for enhanced 1-2-1 business support from our team of experts including:

- Free business advice and mentoring
- Access to 1-2-1 appointments with our experienced Hub manager
- Use of our collaborative co-working space with free wifi
- Access to our community of creative local business people

We can advise you on funding options, offer you space to work in our community Hub and signpost you to our large number of expert partners that could offer further support.
