Supporting parent/carers with a young person on the autism spectrum

Pre and Post Assessment

Connecting and understanding how autism affects our young people is the key to supporting our children.

We offer:

- **Helpline service** – Offering a friendly listening ear along with ideas and solutions/resources
- **Peer Parent/Carer Support Coffee Groups** – A chance to meet other families and share any concerns, to know you are not alone.
- **Autism Advice Workshops for Parent/Carers** - Covering a range of different topics with lots of great information and strategies to support your young person.
