

Bridge/Whist at the Library

Can you play Whist or Bridge? Do you want to learn or improve playing these card games? Do you want good company?

Join our informal friendly group at Ystradgynlais Library at the new weekly times of 13.30-15.00 on Tuesday afternoons. £1 donation to include a cuppa.

Players of all ages and abilities welcome. If you do not know how to play, you will be taught. If you know already how to play you can help to coach others.

Contract/Duplicate Bridge is a challenging card game that stimulates memory and reasoning through bidding a contract to win a certain number of tricks. At its core it is based on Whist, a more simple version without bidding, but which still challenges.
