Youth

Work

Opportunities

SPORT

BGC Wales provides all its members with a complete programme of indoor and outdoor sports, which are both challenging and fun for young people and aimed at increasing the participation of young people in healthier lifestyles.

TRAINING

BGC Wales works in partnership with other training providers to offer training in Youth Work (Levels 2 & 3). Safeguarding, First Aid, Sports Leadership and NGB Sports Awards.

INTERNATIONAL

BGC Wales is pleased to be able to offer young people the opportunity to participate in an established youth exchange with our partners from the Stuttgart area of Germany. The young people experience different cultures and activities and make lasting friendships.

YOUTH WORK

BGC Wales is committed to supporting young people in reaching their full potential. A well run club provides young people with a safe place to meet, socialise and integrate with friends.

VOLUNTEERING

BGC Wales depends upon the generosity and commitment of its volunteers in support of our clubs and activities programme.

Play THE game

BGC Wales recognises that sport is an effective motivator for young people to become actively involved in the Organisation's programme. We support and encourage young people to become responsible and valued members of their communities.

About US

BGC Wales is a National Voluntary Youth Work Organisation, founded in the 1920's, in the valleys of the South Wales coalfield. The first club that opened was the Treharris Boys' Club where young collier boys would retreat for leisure and social activities after working long hours in the local coal mine.

BGC Wales has impacted on young people resident in some of the most deprived areas throughout Wales for 90 years. Today BGC Wales has over 3,000 trained volunteers providing an immeasurable contribution to some of the most deprived communities throughout Wales.

Impact

We provide training and a quality service which enables young people to achieve their potential and self-worth and also increase their employability.

BGC Wales currently has a small but effective staff team supporting the exceptional work of our volunteers and offering additional support and opportunities in order to accomplish our mission.

Today BGC Wales continues to offer opportunities and support to young people in traditional Boys' and Girls' Clubs, youth clubs and sports clubs throughout Wales.
