Join photographer Gina at various locations in Carmarthen to develop your photographic skills in person. Locations to be confirmed and will be weather dependant. If the weather doesn't support an in-person workshop, the session will be delivered online via zoom so you don't miss out on monthly meet ups because of our wonderful Welsh weather!

Gina will set tasks every month to keep the creative juices flowing. The project hopes to get you to develop your own identity and style in photography while learning new skills.

No specialist equipment needed, you can use your phone camera, tablet or any camera you have to hand.

Open to adults to support mental health and wellbeing and make photo friends too.

To book, email info@acgc.co.uk We will send you meeting locations OR zoom log in details before each session
