

ACTIONPOINT

We have a BRAND NEW tour for your pupils! Our rangers will take the children on a sustainability journey. The aim is to focus on climate change and the small changes that can make a big difference to our planet.

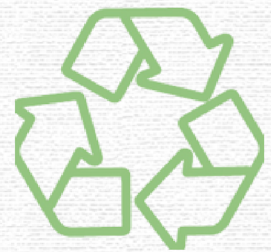

ActionPoint has been designed to engage the children in a fun and interactive way and includes resources for follow-on work.

DangerPoint has a limited number of places available that have been subsidised, offering entry for only £4 per pupil and support towards transport costs.

Call us on 01745 850414 to book your place
(Places are allocated on a first come first service basis).

ACTIONPOINT

WHAT WILL YOU LEARN FROM AN ACTIONPOINT TOUR?

How we can be more sustainable (in the house, whilst travelling etc)?

What is recycling and how can we reduce rubbish?

Where does our food come from?

What is biodiversity?

Climate change & the impact on the planet.
